# JOIN THE REST OF THE INDUSTRY AT QINGDAO, ONLINE

The 14th Mysteel International Iron Ore Market Seminar is jointly organised by China Chamber of Commerce of Metals, Minerals & Chemicals Importers & Exporters and Shanghai Ganglian E-commerce Holdings Co., Ltd. (Mysteel). The event will be held on June 10-12 at the Shangri-La Hotel in Qingdao, East China's Shandong province, **the country's third largest steelmaking base**.

Industry leaders and experts have been invited to share their understanding of the market for the present and the coming year. China's government officials will present about the industrial policies. Market experts will shed the light on strategies to stay competitive and minimize risks in the current volatile market.

Adapting to new situation, this seminar has gone virtual! Be there live in the comfort of your own home and enjoy the same benefit as other delegates. Translation will be provided.

## Featured keynote presentations

- **Impact of new government policies**, such as the government bonds for specific uses
- **Risk management strategies** on how to utilise derivatives by traders and steel mills
- Outlook on **Global Iron Ore Fundamentals**
- **Evolving Trading Models** of Overseas Iron Ore Producers
- Possible Changes to China's **Domestic Iron Ore Miners** in 2020
