

# Mysteel International Iron Ore Market Seminar

16<sup>th</sup> Session

March 16-18, 2022  
Shangri-La Hotel, Qingdao

## Organizers:

-  China Chamber of Commerce of Metals, Minerals & Chemicals Importers & Exporters
-  Shanghai Ganglian E-commerce Holdings Co.,Ltd;

The 16th Mysteel International Iron Ore Market Seminar will be held on **March 16-18** in **Qingdao**, which will discuss the current hot topics in China's iron ore and steel market.

Industry leaders and experts have been invited to share their understanding of the market for the present and the coming year. China's government officials will present about the industrial policies. Market experts from iron ore and steel industry will shed the light on strategies to stay competitive and minimize risks in a volatile market.

The conference will gather **800+** senior level guests throughout the world from physical circle to financial world, serving a great opportunity to help extend your industry network as well as obtaining the first-hand updates in China's iron ore and steel market.

**Simultaneous interpretations are provided in both onsite and online conference.**

## Topics to expect

- Insights of Chinese **economic and environmental policies** on the steel supply chain
- Outlook on **2022 Steel and Iron Ore Market**
- Outlook on Global **Commodity Investment Strategy**
- Analysis on China's **pelletizing capacity** and **pellet-feed demand** in 2022
- Perspectives of **steel supply and demand** in the global market in 2022
- Evolving **price risk management strategy** among iron ore traders and Chinese steel mills
