

2023 International Iron Ore Market Seminar

March 28-30, 2023

Shangri-La Hotel Qingdao

17th Session

The 17th International Iron Ore Market Seminar will be held on **March 28-30** in **Qingdao**, which will discuss the current hot topics in China's iron ore and steel market.

Industry leaders, well-known scholars and experts have been invited to share their understanding of the market for the present and the coming year and will conduct a comprehensive and multi-angle in-depth interpretation of the ferrous metal market and help the participants in the ferrous metal industry to make an early layout.

Join us in Qingdao! Let's focus on the long-term view, pool our wisdom, take the general trend, and jointly embrace the new future of the industry and market. We are looking forward to your participation!

Organizers:

- China Chamber of Commerce of Metals, Minerals & Chemicals Importers & Exporters
- SPG Qingdao Port Group Company Limited
- Shanghai Ganglian E-commerce Holdings Co.,Ltd; (Mysteel)

Topics to expect

- Macroeconomic Situation and Policies in 2023
- Outlook on 2023 Steel and Iron Ore Market
- Sustainable and Healthy Development Iron Ore Industry Chain
- Introduction to the Iron Ore EPD Report
- Operation and Outlook of Overseas Mines
- Challenges and Opportunities Faced by International Steel Mills in Purchasing Raw Materials under the ESG System

Why attend?

- One of the largest size iron ore conferences in China; **1000+** delegates will join us in 2023 for learning, networking and deal-making.
- Obtain the **first-hand updates** from related authorities about China's new economic policies and dynamics.

- Connect with the key players to **explore chances** from side events and social events.

- Access to the insight into iron and steel markets from **industry leading experts**
